

MENTOR APPLICATION

The NJWLA promotes the creation of mentoring relationships between its more experienced members and those individuals more recently embarking upon their legal careers. The mentorship program is intended to facilitate the social and professional advancement of lawyers with less than 10 years in practice by matching them with mentors with at least 10 years of practice. This form should be completed by members who are committed to serving as a mentor for at least a one year period and are able to commit to mentor-mentee contact at least once per month.
