

2015 ACC-NJ Build-A-Backpack Campaign

ACC-NJ members are donating school supplies and new books to fill the backpacks for the first grade students of Stillman, Dewitt D. Barlow and Jefferson Elementary schools in Plainfield, New Jersey, as part of ACC-NJ's 2015 Community Service Project: Build-A-Backpack Campaign.

We plan to donate 250 backpacks, complete with school supplies and a new book for each first grade student.

Please join us for a fun and relaxing evening at Hanover Marriott Hotel for a light buffet dinner, wine, soda, coffee and dessert, as we form an assembly line to fill the backpacks for the students.

This event is free to in-house counsel and their staff, and is a family-friendly event.
